Press Note

Budget 2023-24

Tax Proposals

In an attempt to bring the economy of the State on the path of growth which had got derailed by the pandemic and other economic shocks, no new tax was imposed in previous four budgets. Various relief measures were undertaken to control inflation including reduction of VAT on Petrol & Diesel. Annual Relief of more than Rs. 8000 Crore Provided as a result of these measures.

Efforts were directed towards investment promotion and economic stabilization along with providing employment to the youth and support to the disadvantage sections of society. Some historic steps were taken such as providing 'industry' status to tourism, introducing RIPS-2019 followed by RIPS-2022 which is the most progressive investment policy in the country, and launching SSIPS-2021 (Social Security Investment Promotion Scheme) to benefit the social sector.

No new tax was imposed in the previous four budgets. Keeping in mind the economic distress generated by Covid, this year also no new tax is being imposed for amelioration of all sections of society.

In addition to above-

- The automatic increase of 10% in DLC rates is limited to 5%
- Period extension of one year to Enterprises availing benefits under RIPS-2010, RIPS-2014 and RIPS-2019.
